## A Day ON Happy Farm

5A Ma Yat Yiu, Cheryl

Sam and his family went to Happy Farm delightfully in the morning. They went there because today was Sam's birthday. Sam brought a big backpack and he wore a sunhat because it was very sunny. Sam felt cheerful.

They walked into the fields. There were many different kinds of crops- vegetables and fruit such as corn, carrots and strawberries. Sam's mother took a lot of photos. 'Wow! So many beautiful plants!' Sam shouted. Sam watched them sway closely and closely.

After a while, they wanted to see the chickens so they started going to Chicken House. Suddenly, Sam saw some naughty students who were throwing stones at the ducks in the pond. They giggled loudly at the ducks.

Sam felt angry. 'Stop throwing the stones into the water! You may hurt the ducks!' he stated firmly but the naughty ones didn't listen to him. They continued throwing the stones into the pond.

At last, a fairy inside the pond appeared and punished the naughty students. She admired Sam and said, 'Well done, Sam!' The fairy used the water to make a wonderful prize for Sam. He felt jolly.

Sam and his family went home happily. It would be a day that he would never forget.

## Koalas

5A Jayden Yeung

### Introduction

Koala are mammals. They are marsupials like kangaroos and wombats. They have another name called tree bears but ironically they are not bears.

### Appearance

Koalas have soft, thick, grey and white fur. They also have sharp claws to help climb and eat tree bark. They have two cheeks, big eyes and a big black nose. They have a spot on their stomach to rub on trees so as to warn other koalas of the territory. When they are born, they are hairless, blind and as small as a jelly-bean.

### Diet

Koalas are herbivores so they mainly eat eucalyptus leaves and tree bark. They eat 0.45KG of leaves and tree bark to stay healthy every day. They also don't drink water at all because they get most of their water sources from the eucalyptus leaves they eat. Therefore, they don't have to worry much about the water running out.

### Habitat

Koalas lives in the east coast of Australia, more specifically, mostly in Queensland Victoria, South Australia and New South Wales. They are found in most eucalyptus leaves so that they can eat their leaves in tree bark easily.

### Behaviour

Koalas can sleep for 19 hours straight. They can run as a rabbit. When they have slept for a day, they change from one tree to another.

### Interesting facts

Koalas smell like cough drops, just like eucalyptus leaves! They can live up to 20 years. They're very active at nighttime. Sometimes they get run over by cars so they even have a hospital just for them!

### Summary

Koalas are endangered because people keep cutting down the trees they live in so koalas have nowhere to live no food to feed on so we need to protect them.

## MERRY CHRISTMAS

## 《我知錯了》

2D 林欣穎

今天，爸爸帶我和妹妹到金魚街去買金魚，我們都感到雀躍萬分。我和妹妹挑選了一尾色澤漂亮的金魚。

回家後，妹妹把小金魚放進魚缸裏。他望着小金魚在魚缸游來游去，顯得十分歡天喜地。而我就在客廳裏得意忘形地踢足球。

正玩得興起時，我竟把足球踢到櫃了。由於衝力太大，所以不小心把魚缸打破了，魚缸的金魚全部掉在地上。之後，妹妹看到這個情況也被嚇呆了，我感到不知所措，只是望着地上的金魚爭扎，和一地的玻璃碎片。

這時，爸爸媽媽回來了，妹妹立即抱着媽媽痛哭。最後，爸爸把打破的東西和金魚掃掉，而媽媽則擁抱着妹妹安慰她。而我只能懊悔地向妹妹道歉，說：「我知錯了，不要哭，我以後也不敢在家裏踢球了！」

## 《我的好幫手》

2C 麥彥哲

星期天，我在家裏照顧小貓。我抱着小貓，然後餵牠吃魚，最後和牠玩皮球，我感到十分快樂。

一不小心，我竟把球扔到沙發下，我伸手撿皮球，但是撿不到，我感到很擔心。幸好，聰明的小貓立即幫我撿皮球。我在旁邊看小貓，我感到很奇妙。

最後，我摸摸牠，還讚牠做得很好，我覺得牠很聰明，我感到很快樂。

## 《我知錯了》

今天，爸爸帶我和妹妹到金魚街去買金魚，我們都感到很開心，妹妹感到更加期待，不等我就跑去了。我和妹妹挑選了兩尾全身都是金黃色的金魚，十分漂亮。

回家後，妹妹把小金魚先放進魚缸裏，再把魚缸放在櫃上。望着小金魚在魚缸裏游來游去，顯得十分快樂。而我就在開心地踢我最喜歡的新足球。

正玩得興起時，我竟不小心把足球踢向魚缸，把魚缸打破了。妹妹大叫道：「啊！完了。你賠我的魚！」我說：「先別激動！」之後，我又轉身看，呀！魚在地上活蹦亂跳，我感到非常後悔，心想：「我不應該在家裏踢足球，應該去外面踢足球的。」

這時，爸爸媽媽回來了，他們看到現場的情境，都很驚訝。最後，爸爸把打破的碎片掃去另一邊，媽媽安慰妹妹問：「發生了甚麼事？」妹妹傷心地說：「哥哥打破我的魚缸，魚也死了。」我立即說：「妹妹，媽媽，我知錯了。我明白到不可以貪玩，在家裏踢足球，我以後也不敢了！」

## 《香港動植物公園》

3D 吳宇軒

今天，龔老師帶領我們三丁班參觀香港動植物公園。公園內設置多個動物居住的地方。我最喜歡是「熊貓世界」，裏面的熊貓一會兒睡覺，一會兒吃竹葉，熊貓真的太可愛了！

之後是自由時間，我到了「猴子天堂」裏參觀了猴子，猴子在樹上爬來爬去，動作非常敏捷。接着，我去了「鸚鵡樂園」，那裏有很多色彩斑斕的鸚鵡，還會學人說話，可愛極了！

除了動物之外，還有很多植物，例如：仙人掌、向日葵、大紅花、天堂鳥……漂亮極了！這次參觀讓我大開眼界，也令我認識了不同種類的動植物，這個活動真有意義呢！

I have a Barbie doll. It is named Keria. It is thin and tall. I think it will be my hero. It is wearing a dark blue dress.

We can go to the Sha Tin Park. We can play on the see-saw and fly a plane. We also can have a picnic there.

Cathy

## Editorial

Hello and welcome to this issue of C-Garden. In this issue, you will find a beautiful selection of work from students of Tai Po Old Market Public School. 2018-2019 has seen us continue with different projects as well as use STREAM across the curriculum. Students have been provided with many opportunities to improve their ability in writing both fiction and non-fiction.

The fascinating work the students manage to produce never ceases to amaze me. Our students have learnt languages through multi-modal texts, games and activities. Here, you will see a showcase of creativity and imagination as well as factual reports and accounts. Students have used the skills and knowledge gained from both English and Chinese lessons in their writings.

If you enjoy reading their work, start writing something as soon as possible. It can be a story that you have always dreamt of, or a review of something fun that you would love to share with everyone.

As what C.S. Lewis says, 'You can make anything by writing.' What are you waiting for? Submit your story to us now!
