Australia Study Tour Reflection

Australia trip

By 6A Tsai Bing Hao, Hugo

The day with class 5A was a great experience. My partner's name is Hudo. She told me about the school and was impressed when I told her we must climb seven floors to get to our classroom. They also do BYOD. We had science class, and it was amusing. The only downside to the school is that there are only two daily breaks. They have a kind of ball called a handball, which is like tennis but with hands. I got very good at the game and survived three rounds. I also played basketball, which I am good at. The basketball team's teammates asked my name, and we made friends. Everyone in the school made me feel very welcome. However, with three or four games going on simultaneously, it is impossible to play basketball. Sadly, we have to leave so early after lunch. They have a so-called "golden hour" after lunch when everyone leaves school; what is THIS?

Living with the host family is the part that I am looking forward to. The host family's mom (Miss Jane) is an actor in a movie. Living in another one's house does feel strange, but I don't feel shy. They had great food for breakfast. Every day I wake up at 6 am. I ran with Miss Jane on Monday in the morning, and she showed me the neighborhood. Usually, I finish breakfast very fast and drink the tea slowly while watching TV. We had Barbie for dinner once. Dear Miss Jane, Let me try to cook. I learned that the Barbie is slightly strange because the stove is a bit stranger than I thought.

Nevertheless, the barbecue tastes excellent! Miss Jane had a neighbour called Nichol. She has a son who is thirteen years old. His name is Dylan. Dylan loves to play soccer, and he is class one of the (some sort of club), meaning he is incredibly good at soccer. He also plays the cello! He just completed grade 6, and I am working on it now! He loves to play Minecraft and chess, too! It was a great experience.

Australia trip

By 6B Nicole Meng

We went to Brisbane, Australia, for a ten-day study tour starting from 23/3. The ten days were full of different activities for us to enjoy. I enjoyed the activities. What is my favourite activity? Read the following passage to find out more about my trip!

Brisbane is a city in Queensland, Australia, and a tourist attraction. We went to loads of different places with Miss Lisa.

My favourite activity is undoubtedly the school integration day at Labrador State School! Angelina and I are in the same class- class 6Z. Our buddies for the day are Ruby and Rheana. They always help us understand something. I enjoyed the Chinese lesson a lot because we got to play games and also help the Australian students. It's a piece of cake for us because Chinese is our mother tongue. Not to brag, but the group I led got first place two times in a row! Labrador State School also gave us lots of gifts! I also learned that the study methods in Australia are entirely different from those in China and Hong Kong. The teaching methods in Australia will make the students more relaxed in school and help them learn better.

My favourite tourist attraction is Currumbin Wildlife Sanctuary because the animals there are fabulous and we saw a fantastic bird show. I can't believe that the closest living creatures to dinosaurs are chickens (according to the narrator in the bird show).

Our teacher, Miss Lisa, played many games with us, such as Splat, Buzz, etc. I enjoyed them a lot, as they were a lot of fun. We also learnt the chicken dance. The chicken dance is a huge hit in Australia, but we don't know a wink about it. We also made boomerangs, and each one contains an extraordinary story.

But what I want to share most about my trip is my host family because they are charming. Lisa (the mum) always cooks different kinds of delicious Australian cuisine for us to try every night. The packed lunch is also full of snacks and stuff. They even took us to Surfers Paradise, the most famous beach on the Gold Coast. It is genuinely fascinating to feel such soft sands and calm wind—no wonder it's such a well-known tourist attraction on the Gold Coast.

During the trip, I learnt a lot, such as the methods for studying in Australia, how to be more independent, and about new cultures in the world.

Hello, everyone. My name is Michelle CHAN. I had an unforgettable Easter Holiday in April 2024. I went to Brisbane, Queensland, Australia, for ten days. It was an exchange programme, my first time travelling alone without family. Brisbane is a hub of Queensland culture, offering a view from the past to the future. After this tour, Brisbane is a beautiful place everyone should visit once.

During this 10-day study tour, we visited many places in Brisbane, such as the Mr Coot-Tha Lookout, Queensland's Museum, Tropical Fruit World, the Labrador School, the Wildlife Sanctuary, and Country Paradise. All the attractions were magnificent, fascinating, and enjoyable for me. I will share them with you one by one.

The most exciting place was studying at the Labrador School in Brisbane. All the students were delighted and enjoyed learning there. They had a perfect learning schedule, with half the time for learning and half the lesson for playing! Wow, it was my dream lesson plan, I thought. This way made me even more concentrated on the lessons. However, English was much more complicated than Hong Kong because of the need for more vocabulary to read and comprehend some scientific terms. But I understood Mathematic sessions unexpectedly. The school was so big that all the students could play handball everywhere. During recess, I learned how to play handball, which was great. I met some new friends at Labrador School, and they were very friendly and pleasant to me; they taught me how to play handball and told me what to do in class, as well as friendly chat with me! Although it was a hard time to say goodbye to them, we gave warm hugs and gifts to each other!

Music and dancing are always the best ways to make friends with others, even if we speak different languages. On day 2, I was still nervous and missed home in one of the English culture classes. But after I learned a song called "Chicken Dance," the teacher and all my classmates sang and danced together. We felt relaxed and happy after this section. So, I believe music can heal everything.

For the most memorable place, Tropical Fruit World was a great place! Why? It was because I loved tasting fruit very much, and this fruit world had many unique fruits that I had never seen in Hong Kong before, such as jackfruits. I think jackfruit's texture was unique but beneficial to humans, and it was very juicy and yummy! Also, I tried the Achacha fruit, which had the same taste as mangosteen and was very good, too! We learned more about where the fruit grows, which is the seasonal fruit, and the Avocado is the queen of the fruit through taking Farm Tractor Tour. After that, we went on a boat cruise. It was a remarkable journey because it was a rainy day. We all got a little bit wet, but I was happy to stay close to natural plants and small animals, and I immensely enjoyed this short journey. Lastly, we had time to meet and feed animals such as Kangaroos, goats and sheep. It is my first time looking around at what a fruit farm looks like, and I wish I could stay longer to explore more and learn more about the Fruit World.

Although I had a great time in Australia, I had an accident!

On the last day with my host family, they took me to the beach where we could see the people feed pelicans! My roommate Holly and I were very excited about it. When I walked past a pelican closer, it suddenly opened its mouth and bit me! Oh my God! My leg was bleeding and very painful! And I must be aware of the animals in the future, especially the birds.

For this study trip, I stayed with my host family for ten days; I would like to take this chance to thank them for taking care of me. I loved the food that they made because it was very yummy! My host mother, Marilyn, was a chef before, and she can make many yummy meals and desserts. My host father, Allan, always chatted and played board games with us. It was a unique experience and training to be more independent, especially since I got a quick shower skill within 10 minutes.

Lastly, I would like to thank my teachers, Miss Wong and Miss Chau, my tour leader, Lisa, and my classmates, who took care of me and supported me on this trip. I enjoyed the exchange tour very much. The tour was meaningful because I became more independent, especially regarding my self-care ability. My communication and planning skills have also improved. It makes me even more confident, braver, and thoughtful. I also understand more about the history and culture of Australia. Through different kinds of group activities, I also learned to share my opinions, listen to others, and respect other cultures' differences. I want to join other exchange programs when I enter secondary school next year.

Australia Study Tour Reflection

I went to many places on this nine-day Australia trip and learned more about Australia.

Our teacher took us to the Queensland Museum on our first day in Australia. There, they held an event about dinosaurs. Our teacher wanted us to learn about some animals, such as owls. At that time, my classmates and I knew more about animals worldwide. After that, I left the Queensland Museum and saw my homestay family. They were a homestay mum and two brothers. They were friendly to me and helpful.

On the second day, our teacher, Miss Lisa, taught us about Australia's history, and we played some games.

We went to the Hinze Dam and the Tropical Fruit the next day. I learned the fishway and knew why we needed to use it, so we tried some fruit, like dragon fruit.

After that, we went to an Australian school! I was excited about it. I had four lessons with them, too. The students there were excellent. I found that Australian schools and schools have some differences. Firstly, Australian students use it all the time, but we do not; they like to sit on the ground to have class. I had some friends there, too.

The next day, we had class with Miss Lisa, too. We painted a boomerang. After that, my homestay family took me to a shopping centre with them. I was joyful.

On the sixth day, my classmates and I visited Burleigh Heads Nation Park and Currumbin Wildlife Sanctuary. I saw many animals.

After that, we went to Paradise Country. I saw some shows, like how to make tea and cake. We also went on the Glow Worm Cave Tour to see the animals in the Rainforest.

The next day, I didn't need to visit any places with my teachers and classmates, but I needed to stay with my homestay family the whole day. They took me to a shopping centre, where I bought gifts for my family. At last, I went to Hong Kong.

In conclusion, this trip was an unforgettable and valuable experience. I like Australia because the environment is good and there are a lot of places to play. I also learned more about Australian culture, history, and animals.

The most unforgettable experience was spending time with my host family. They were friendly and helpful. My homestay mum is a teacher. When we returned after the trip, she always talked to me about the experience and told me about some Australian animals. When she learned that we were coming from Hong Kong, she made some rice and Chinese food for us. They like watching TV too. Their house was more significant than my house, too. Their lifestyle was so different, too. They want to make lunch boxes but need lunch in the restaurant. Also, when they buy clothes, they always try a lot of clothes and choose one instead of just buying one.

I plan to go to Australia again.

What an incredible study tour in Australia!

By 5A Chloe Chan Yuk Tsun

It's observed that there is a unique Australian culture. Australian enjoys having a close relationship with nature. Compared with Hong Kong, we always go to watch films at the cinema, indoor shopping, or high tea at hotels in our free time. Australians usually go camping, hiking or bushwalking for holidays. I had a chance to go to the Burleigh Heads Walking trail with my schoolmates, go hiking, and play on the beach with my host family on weekends. I watched beautiful north and south coastal views that I had never seen. It's lovely and unforgettable! I tried to take photos like those posted on The National Geographic magazine. I wondered, "Wow, if I continue to live in Australia, can I will be one of the famous photographers in the future?". Besides, there were a lot of beautiful shells with different shapes on the beach. In contrast, there are thousands of rubbish instead of shells on beaches in Hong Kong. It's noted that Australians treasure natural resources and natural views.

Fortunately, I caught over ten lovely crabs and planned to return them to the host family home. Olivia (the host family child) said, "You need to free them, as they belong to the ocean!" I felt curious at first, but then I understood what she meant. I promise to promote the concept of "love of nature" in Hong Kong in the coming future.

Animals are found everywhere in Australia. We could visit the famous Tropical Fruit World and the Currumbin Wildlife Sanctuary. We met several kinds of Australian animals, such as kangaroos, emu, and koalas. Some unique birds sounded like girls' crying or screaming. It's amazing! It's different from Hong Kong, as we seldom or rarely meet wild animals. I remembered that I had been to Ocean Park, a well-known tourist attraction in Hong Kong, with my family; there were only a few species of birds and some common sea animals. Shane (my host dad) brought us to a nearby country park on weekends. There were over twenty kangaroos. Shane said, "Don't feed the wild animals; they must learn to survive alone." I was shocked at first, then thought carefully. It's the circle of life! It has the same meaning as Chinese speaking: "Survival of the Fittest". cannot destroy the ecological environment much.

Can you imagine that there were "multi-cultures" in my host family? Surprisingly, Japanese girls came and lived together with us in one host family. Shane said, "Wow! There are six pretty girls from 3 different countries. Two from Australia, two from Hong Kong, and two from Japan.". I am worried that we will have conflict, as we have our characteristics and cultural differences. It would affect the host family's impression of Hong Kong students if it happened. As a result, I firmly told myself to be open-minded. It's lucky and unique that we can get used to each other well, although we only knew each other for a few days. We became good friends and close "family members". We spoke in both English and Japanese most of the time. I learnt some Japanese culture, too. I taught them how to play aeroplane chess without any instructions in the leaflet; we enjoyed it very much! Friendship is a valuable thing in my life. The study tour inspired me a lot. I have a brand new idea on how to enjoy my holidays, how to love nature, and how to improve my life in the future!

The amazing Australia trip

My homestay family

I went to Australia with my classmates last month. What an astonishing trip! We got to Brisbane by plane and went to the Gold Coast— our final destination. The overall experience was surprising initially; I didn't expect that much! My first thoughts about this trip were how good the homestay family was; she (there was an old lady as my roommate and my homestay family) always asked if we were feeling good and the room for my roommate. It was beautiful— the beds were very comfortable. There was a small desk for my roommate and me to study and finish our homework. Although I didn't spend much time with my homestay family, I enjoyed every second. We played chess and walked to the beach nearby on our free day with our homestay family. The view was the best I've ever seen. The waves were splashing, and several seagulls were flying above the sea. Overall, I felt relaxed and calm when I spent time with my homestay family.

The first few days (Rainy)

It was pouring on these days, especially on the second day. My friend and I had to use the same umbrella, and half of my body was exposed to the rain. I was all soaked when I got back home. My favourite place was Hinze Dam. It is a dam, but it's the first one I've ever seen. My friend and I had to make a video about it and learn more about it. I never knew how fishways function and what they serve; I finally found out after I visited the Hinze Dam. I also loved the view of Hinze Dam. The weather was fortunately foggy but not rainy when we stayed there. I could see a vast lake; on the other side of the dam were some farmlands and some kangaroos on the farmlands! It was my first time in real life seeing a kangaroo!

The next couple of days (Sunny)

Fortunately, the weather was finally better than the first few days. We even got a few sunny days! According to my homestay family, this is what Australia typically feels like, not rainy and wet, yuck! We went to Labrador State School, one of my favourite spots. The students are more polite than the students in Hong Kong (not saying the students in Hong Kong are rude, of course). Their classes were much more accessible than in Hong Kong; while the P.5s in Hong Kong had already learned the areas of rectangles, the P.5s in Labrador States schools were still learning multiplication. However, it's hard to tell which is better.

Conclusion

Overall, I learned a lot on this trip. So many things happened throughout the trip that it's impossible for me to tell you everything. I just hope I will not forget all those wonderful memories. That's all. Thank you.

My Wonderful Australia tour

By 4B Pu Chi Yu, Karl

On the first day, I learned that our school would hold an Australia tour group; I was very excited that I could go to Australia. There were two sessions of interviews. After that, I looked forward to receiving the message about going to Australia. I was super excited When I knew I had been chosen to be in the Australia group! Next was packing luggage

and waiting. The day came after waiting a long time, so let's go! After hours of flying, we landed at Brisbane Airport; I was very excited to see what was in Australia.

Firstly, we went to Queens Street for hamburgers and French fries; eating some food in Australia was pretty lovely. But the most profoundly impressive was when we were in Currumbin Wildlife Sanctuary, we looked at so many different animals, including koalas, kangaroos, birds, and so on; I felt like I was in a world entirely of animals.

On the second day, we went to Labrador State School. I met Olive, Parco, and they became my friends. Usually, my group only attended one class, but I was lucky I could go in 5A and 5M. We had Science, English projects, P.E., and so on; most importantly, when I accidentally hit my head with the ball, they cared about me (only my friends). I was very impressed. I have never seen some friends caring about me this much.

We lived with a host family in Australia. The host parent was lovely, and most importantly, she gave us ice cream every night! I seldom had dessert after dinner. On the same day, we walked to the Broad beach, which was terrific. On the last day, we had homemade pizza for lunch; it was delicious! What a wonderful trip it was.

The next couple of days (Sunny)

Fortunately, the weather was finally better than the first few days. We even got a few sunny days! According to my homestay family, this is what Australia typically feels like, not rainy and wet, yuck! We went to Labrador State School, one of my favourite spots. 《當普羅米修斯、哪吒和孫悟空遇上東海龍王》

6B田程澄

話說普羅米修斯被赫拉克勒斯解救後，便開始逃亡，希望能離開宙斯的魔爪。

當他來到中國的最南方的沼澤地帶時，他便停留在一個山洞裏休息。可是當他剛坐下後，就有一個長相極其兇惡的妖獸——蚩齒，朝他猛撲了過來。（蚩齒是在源古時代中國一個吃人的怪物，他長着野豬的頭，人的身體，和野獸常有的腳爪和爪子。）普羅米修斯頓時慌了神，於是他拿出了防身武器——一把能射到幾萬里遠的弓箭，並射向蚩齒。壞了，沒射中！眼看着蚩齒就要抓住他了，而這時，哪吒跑了過來，他用他的兵器——火尖槍，朝蚩齒刺去，它慘叫了一聲，便死了。

普羅米修斯謝過哪吒後，便和他一起上路。經過詢問才得知哪吒是中國天上的神仙，被派往人間的原因是為了消滅經常欺壓百姓的東海龍王。普羅米修斯擔心地問：「你不怕被他殺掉嗎？」但是哪吒卻正氣凜然地說：「不用怕，我已經向天帝發誓過了，我既使得死也要保護百姓的安全！」普羅米修斯很佩服哪吒的勇氣，於是便拜他為師，跟隨他繼續趕路，並向他學習自衛的技巧。

當他們到達東海時，他們看見「齊天大聖」——孫悟空，正在擺弄着他的金箍棒。這時，金箍棒突然升上天空，穿破了雲層，震得大地都四分五裂了。「你這潑猴，你不帶着你師傅好好去西天取經，跑到東海是做甚麼？」哪吒罵道。孫悟空回答說：「你們兩位有所不知，俺師傅被這東海龍王捉了去，現在有可能已經成為他的盤中餐了！再加上他的好朋友牛魔王的幫助下，我就更不可能打敗他了！」哪吒自己本來就要去對付東海龍王。再加上他和普羅米修斯都很同情孫悟空，於是決定幫助他。

可是，在他們製定作戰策略時，卻出現了矛盾：哪吒說自己的任務是天帝指派的，所以最重要，應當衝在最前面；但孫悟空卻說救人要緊，人的性命最重要，因此應讓自己沖在最前面，兩人便開始吵起架來。普羅米修斯便趁著這個機會，找到了一個合適的時刻插了一句嘴，問自己能不能在最前面。但是這卻引得哪吒和孫悟空更生氣了，他們責怪普羅米修斯想自己獨吞整個功勞，還嫌他沒本事。所以，最後他們都不歡而散了。

哪吒便獨自一人來到東海邊，正打算下海時，東海龍王和牛魔王突然浮出水面，對哪吒說：「臭小子，看我們來收拾你！」說完就把手裏的兵器朝哪吒頭上砍去。哪吒一躲開，便和他們對打起來。可是，哪吒畢竟只是一個七歲的小孩子，抵不過這兩個拼命的惡魔。眼看著哪吒就快招架不住，這時竄出來了兩個人影——是孫悟空和普羅米修斯！原來他們在離別之後感到很後悔，所以他們又折回頭來幫助哪吒了。有了他們的幫助，他們三人便繼續作戰。

最後，他們成功地打敗了東海龍王和牛魔王。

《重「游」舊地》

5D 李綽樺

假如我能穿越到過去，我希望穿越到三年前的時空。這次我一定會努力、堅持、不放棄，抓緊這個難能可貴的機會，為自己爭取達成夢想的道路。

在晴朗的天氣下，我在街上漫步回家，突然，有一滴水滴在我的額頭上。我抬頭一看，竟然是一部穿梭機在向我滴水！我嚇得目瞪口呆。接著，穿梭機底部的一扇門慢慢打開，並放下一條繩梯，似乎想讓我爬上去。這時候，我既緊張又期待，一方面很好奇它會帶我去哪裏，一方面又擔心會否有危險，但我向來「勇字當頭」，喜愛冒險的我很快就爬上繩索，乘上穿梭機了。

穿梭機裏空無一人，我進去後它便自動關門，開始告訴行駛。穿過密密麻麻的雲層後，我終於降落了。這天的天氣多麼的晴朗，周圍的街道跟現在一樣仍然是充滿私家車，兩旁的花草草仍然是長得十分茂盛。我看看便利店裏的報紙，發現我回到三年前了。

看着向我微笑的太陽，我十分清楚這是上天給我的一次機會，讓我在這一趟穿越的行程中彌補三年前落選的遺憾，要重新完成香港游泳隊的選拔，不再膽小害怕，要勇敢挑戰自己！於是，我便踏上了前往香港體育學院游泳池的路途中。接下來的一個半月裏，我隨著教練認真操練，我比三年前更加刻苦，每天練習五個小時，每一個細微的動作也反覆練習，務求能突破自己！

終於到了比賽那天，我早早到達游泳池，穿上游泳賽衣，帶上泳帽及泳鏡。我在泳池熱身的時候，我看見各位選手技術都十分厲害，我的腦海中忽然浮起三年前我落敗的畫面，我害怕得心撲通撲通地跳個不停，四肢不斷抖震，我實在不想再經歷一次落敗，甚至一度有離開游泳池的意欲。不過，我想起自己這次穿越的目標，難得我有機會彌補遺憾，我不能退縮！我要勇敢面對困難。在比賽之前，我不斷在心裏跟自己說：「不要怕！不要怕！你已經做足準備，你做得到的！」

槍聲一響，我像飛魚一樣躍進水裏，拼命地游，拼命地游.....觸池後我馬上抬頭看看顯示屏的賽果——我得了第一名！我得到香港體育學院的入隊邀請！

在這個旅程中，我明白到堅持不放棄便能夠勝過自己。我們要珍惜時光，不要錯過任何迎面而來的機會。世界上並沒有「後悔藥」！所以在迎來機會之前，我們需要做的是好好裝備自己，面對接下以來的難關。

《我的生日》

1A李嘉瑤

二月十三日是我的生日，爸爸媽媽帶我吃自助餐慶祝。餐廳外排着長長的人龍，十分熱鬧，像排隊下鍋的餃子。我被安排坐在窗旁的桌子，然後去取食物。那裏的食物五花八門，我吃了我最喜愛的炒飯、烤牛肉、點心、水果和甜品。我一邊品嚐美食，一邊欣賞風景，真是賞心樂事！

接着，我們便前往西九文化區。當走到博物館時，傳來了一陣歡呼聲，我急不及待跑去看個究竟。原來有一位叔叔在表演足球雜技，他一邊用頭頂着足球，一邊跳繩，十分精彩，每個人都嘖嘖稱奇，拍手叫好。

表演後，我便好奇地問爸爸：「為甚麼那位叔叔那麼厲害？」爸爸回答：「因為那位叔叔付了很大的努力去練習，您應該好好向他學習。」最後，我們到海旁欣賞維多利亞港的絢麗景色便回家了。

今次生日我格外難忘，不是因為可以吃到美味的東西，而是學習到一個道理：「一分耕耘，一分收穫」，要努力才會有成果。

《前往未來》

5A譚柏麟

今天是不用當值又沒有功課的日子，所以，我和我的朋友——小明到圖書館看《科技知多少？》的圖書。看着看着，我和小明眼皮愈來愈重，漸漸便睡着了。睡着睡着，我們好像進入了一條黑漆漆的隧道……

走出隧道，這裏一個人也沒有，但卻有一些機械人在走來走去，它們還拿着武器，令人不寒而慄。這個地方既熟悉又陌生，我想了又想，這裏不就是大埔舊墟公立學校的廁所嗎？可是周圍都是一片頹垣敗瓦，灰塵滿佈，學校怎麼會變成廢墟？我和小明戰戰兢兢地走出洗手間，見到牆上面掛著慶祝90周年校慶的橫額，我屈指一算，即是我們穿越到2054年了！

在我們百思不得其解時，突然，遠處的機械人偵察到我們！它們向我們直奔！經過一輪追逐，我們迅速躲到60ilab裏，一打開櫃子，赫然發現有兩個機械人在裏面！我們嚇得鬼吼鬼叫，但機械人都沒有反應，才知原來它們已經「壞掉」。我們馬上躲進櫃子裏，成功擺脫了他們。櫃子裏漆黑一片，只能透過門縫的一線光偷看外面的情況。隨着腳步聲漸漸遠去，我們才鬆一口氣。忽然，我看見旁邊有一張發黃的紙條，上面寫着：「你好，相信你仍是生存者，這是一些救命提示，請不要在機械人身邊學，這會激怒它們的。如果你想活命，你必須要來找我，我在.....」

我看完這張紙條後，才知道處境危險。然後，我對小明說：「現在我們要去這個地方，你拿著這把武器掩護我吧！」接著我從那兩個壞了的機械人身上取去兩把激光槍，分給小明每人一把，然後開始戰鬥！

首先，我們東躲西藏，小心翼翼地經後門離開，找了一會兒，找到一棟大廈，這棟大廈和信上畫的大廈一模一樣，我們開心極了！但是有很多機械人在門前守着，似是負責把風。仔細一看，它們的手中也拿着那張發黃的紙，一定是在學校內撿到的，想來殺人滅口。我們從正門進入的機會微乎其微，所以，我們繞到後巷位置找辦法，果然，那裏有一扇隱蔽的門，我們猶豫了一會，決定走進去。

在門的另一邊，是一片一望無際的大地，地上凹凸凸凸，有很多土黃色的小石塊和沙粒，抬頭一看，更讓我們驚呼連連——竟然是一片浩瀚無邊的宇宙！我聽過常識老師說人類正在研究移居火星，想不到三十年後終於研究到怎樣在火星製造一個大氣層，讓人類留在這裏生存！我們呆呆地看着天上繁星，然後，一位大人向我走過來，說：「恭喜你們，你們已成為第.....咦？小時候的我？你怎麼在這裏？」又有一個人走過來說：「兄弟！你在做什麼？咦？小時候的我，竟然在這裏？」原來他是三十年後的小明。沒想到我們和三十年後的自己竟然在火星相遇！我們就跟着他們到處參觀，未來的我說：「我們的爸爸在製造這些機械人時研究失敗，令這些機械人有自我意識的能力，然後，爸爸就.....」未來的我擦擦眼淚，接着說：「自此地球被機械人佔領了，如果要重奪地球，就需要和機械人戰鬥，你們準備好了嗎？」我十分悲憤，決心要為爸爸報仇，重奪地球！

我們四人鬥志高昂，穿過那道門再次回到地球與機械人決一死戰！剎那間刀光劍影，展開一場激烈的廝殺。我正要瞄準一個機械人的腦袋時，突然有人從後把我一下打暈了……

叮噠叮噠——小息結束了，我們被鐘聲驚醒。我心有餘悸地和小明講述剛剛發的夢，豈料他竟然發了個一樣的夢！於是，我回到家後馬上阻止爸爸繼續研發機械人，為了他，為了這個地球，我們一定要小心使用人工智能。

《偶遇貝多芬》

5D黃芯貽

說起穿越，那就不得不說起我那次的經歷。

有一天，我做功課做到凌晨，隔天的第一節課便是音樂課，好死不死老師今天教的竟然是催眠曲。我一邊聽着，一邊努力忍住睡意，但最後我還是忍不住，頭慢慢向下掉，握著牧童笛睡着了。

醒來的時候，我發現我不在教室裏，而是在一棟破舊的房子裏，一轉眼發現一個男人正在倒水，他拿着水便向我走來，仔細一看，這不是音樂書中的貝多芬嗎？難道我穿越時空了？他向我說了一句：「你是不是好點了？」我一面疑惑地看着他，心想：他怎會說中文呢，不是外國人嗎？他看見我不說話便走了，於是我試探了他一下，我說：「你好？」他問我：「怎麼了，是發生了什麼事嗎？」難道穿越的語言也會跟着改變嗎？

我陷入迷思當中，忽然，貝多芬突然不見了，我四處張望，發現他在窗外走著，還拿着一支筆和一本空白的曲譜，我立即跑出外追他。我終於趕上他的步伐，問：「你...要...去.....哪裏？」他告訴我：「去山上！」我還來不及問他要什麼，他又走了。

我一路小跑跟着他到山上，他正坐在樹下感受着溫暖的陽光。我坐在他旁邊，問他在做什麼，他告訴我他正在作一首曲子，所以上山尋找靈感。這時他看著我手上一直拿著笛子，問我：「這長長的像竹子的東西是什麼？」我告訴他：「這次現代的樂器，叫牧童笛，你試試看吧！」他試探地吹了一下，發現這新奇的樂器十分動聽，興奮地請我教他，於是，我用心地教他指法，不知不覺已過了兩小時，夕陽西下，他說是時候回家吃飯了，我看他對牧童笛愛不釋手，於是我跟他做了個交易，我告訴他：「如果你寫一首曲子給我，我便把牧童笛送給你吧！」他爽快地答應了。

第二天，他早早便出門了。當我醒來時發現他不見了，於是我去了昨天的山上，果然他在昨天的樹下慢條斯理地寫着曲子，他看見我後，信心十足地對我說：「今天我一定會拿到牧童笛的！」我靜靜地坐在他身旁看着他，心想：原來貝多芬是這樣創作那些偉大的樂曲的。

時光飛逝，兩小時就這樣過去了。這時，貝多芬也把譜作好了。他興高采烈地遞給我看，我看着曲譜上那些跳躍的音符，輕輕地哼出優美的旋律。之後，我遵守承諾把牧童笛送給他了，他頓時開心的跳舞起來，像一個單純的小孩子。

黃昏時，我們回到貝多芬的家裏，他開始嘗試用牧童笛演奏起那首曲子，我閉著眼，陶醉地跟著節奏擺動身子，慢慢地，我開始進入夢鄉.....醒來的時候，我已是身處於學校的音樂室。課堂完結的鈴聲也在這時響起。原來剛剛只是一場夢.....但我手上的牧童笛竟不見了，反而拿着一張樂譜，樂譜的最低下寫着——「貝多芬 著」.....

《故事續寫——狗狗的生日會》

1A王若同

今天是狗狗生日，動物們都聚在一起準備為牠做生日蛋糕。

老虎覺得狗狗那麼愛吃火腿，肯定會喜歡紅通通的火腿蛋糕；猴子認為只吃火腿太不健康了，營養的香蕉蛋糕才最適合狗狗；兔子嫌香蕉太普通，想把不同的蔬菜堆起來做成煙火蛋糕來慶祝；小鳥和野豬對於狗狗的生日蛋糕，也各自有自己的想法。動物們七嘴八舌，都想讓狗狗嚐嚐自己喜愛的蛋糕口味，誰也不肯讓步，還爭吵起來。

此時，老虎提議進行一個比賽，大家各自準備蛋糕，看看狗狗會喜歡哪一個。大家都同意老虎的提議，便埋頭苦幹製作最美味的蛋糕。

狗狗的生日派對終於開始了，動物們迫不及待地拿出各自的蛋糕送到狗狗的面前，讓狗狗品嚐。老虎說：「請告訴大家，誰製作的蛋糕最美味？」看著大家熱切期待的眼神，狗狗覺得很為難。這時，小貓突然出現，把動物們手上的蛋糕疊起來成了一個八層高的蛋糕，然後分給大家沒人一塊。大家品嚐後，不約而同地說：「這是世界上最美味的蛋糕啊！」

最後，狗狗過了一個難忘的生日會！

《神話新編——當哪吒遇上精衛》

6B劉尚洋

古時，在一片波濤洶湧的大海裏，住着一位神仙——東海龍王。他獨自一人掌控整片東海，但他卻用這個能力來欺負人類。他常在晚上，人們熟睡時，製造出一條條「水繩」，然後控制「水繩」鑽進人們家中，把他們活活勒死。

多年以來，東海龍王都是以各種方法，令人們的生命就此結束。面對東海龍王的強大勢力，百姓們也束手無策，無能為力。

一天，一位大概七、八歲的小男孩，踩着一對「輪子」，來到了鄉間。百姓們一看見他，就紛紛躲開，因為他們不知道那小男孩是誰，以為又是東海龍王派來害他們的。小男孩見大家都很怕他，便連忙解釋道：「大家別慌張，別慌張！我叫哪吒，嗯.....算是位小神仙吧！聽聞這裏有條惡毒的大龍，可以跟我說說怎麼回事嗎？」大家聽見他這樣說，都放下了戒備心，一位老婆婆更是撲通一下跪在哪吒面前，哭哭啼啼地說：「啊！大神仙！快來救救我們吧！我的丈夫、孩子和孫子全部都被那條龍殺害了啊！」

哪吒趕緊扶起老婆婆，咬牙切齒地說：「這條惡龍，今天我必定把你給斬了，然後給百姓們煮肉！」話音剛落，又有人來遞上一份訃告。哪吒看見後忍無可忍，一句話沒說，就踩着他那酷似輪子的法寶，風火輪，前去找東海龍王，替百姓們報仇。

哪吒一路上都在碎碎念，想著怎麼教訓龍王。走著走著，他聽見了一縷美妙的歌聲。哪吒被歌聲吸引了過去，抬頭一看，發現是一隻五顏六色的小鳥在唱歌。哪吒出於好奇，便上前打招呼：「你好呀，小鳥，你的歌聲真好聽呢！妳現在要去哪呀？」「你好呀小男孩，我叫精衛，是一隻鳥，我現在正要去東海，找東海龍王報仇呢！」那小鳥回答道。哪吒聽到精衛也是要去東海龍王報仇後，突然興奮了起來：「我也是，我也是！我叫哪吒，也是一位小神仙，我要為鄉間窮苦的百姓們報仇，妳呢？」精衛一臉悲傷地說：「唉，這個就說來話長了。我原本並不是一隻鳥，而是炎帝之小女，叫女娃。我小時候很喜歡去海邊玩，可是有一天，當我在海邊玩的時候，那惡毒的東海龍王用水繩把我拖下水，不幸身亡，後來我就化作了一隻神鳥。現在我要去找東海龍王算賬。」

哪吒和精衛瞭解到對方也是去找東海龍王報仇後，兩人一拍即合，決定聯盟，一起商討如何擊敗龍王。兩人商量了很久，但沒有一個方案是兩全其美的。哪吒提議直接上前交戰，但精衛覺得單憑兩人來對戰東海龍王的話，勝算不大。精衛想用哪吒的另一件法寶「玉淨瓶」，把海水吸乾，但哪吒說玉淨瓶不能裝液體，所以這也不行。終於，他們想出了一個絕美的方案，那就是用哪吒的玉淨瓶收集超級多石頭，然後把石頭填在東海上，這樣東海龍王就無處可逃了，而且這個方法十拿九穩。

兩人一刻也不敢耽誤，馬上開始了行動。精衛先去尋找有石頭的區域，然後帶領哪吒前往。哪吒用他的玉淨瓶把石頭收集起來，哪吒還能用他的風火輪在石地和石地之間快速穿梭，加快收集的速度。有了精衛的帶領和兩件法寶的加持，不一會兒，東海就被填滿了。東海龍王本想再掙扎一下，他用盡全力把石塊頂破，想再用水繩勒住哪吒和精衛，但他才意識到，東海已經被填滿了。哪吒趁龍王不注意，又放出了一堆石頭，砸向龍王。最終，東海龍王應聲倒下。

東海龍王被哪吒和精衛殺死後，所有百姓都為其歡呼喝彩，精衛也解開了心中的仇恨。哪吒把龍王斬開，讓每個百姓都拿一些龍肉回家煮着吃，所有人對這個建議都拍手叫好。從此以後，再也沒有人來欺負百姓。他們過上了安逸的生活，哪吒和精衛也成了大家心中的大英雄。

Editorial

Mr Alex Lau

Once again, I find myself reading some of the finest work from our students. I've heard from the other teachers that the myths and legends written in Chinese are on par with the wuxia novels of Louis Cha. Perhaps that is an exaggeration but I can certainly see the talent from the English used in the recounts of our students from the Australian trip. Having close links with Australia's 'best friend' and sister country (New Zealand) I obviously share some of the friendly rivalry but it doesn't mean that I am not a little jealous of the fortunate students that got to go on the trip and share in the experience.

A big well done to everyone who contributed to this issue of C-Garden.
