## <我的日記——森林學院>

1A李嘉瑤

十一月十七日 星期五 晴

風和日麗的早上，我們1A班一起到「森林學院」作體驗學習。

那裏景色怡人，環境十分優美。我們先學造木頭車，可真有趣。接着，我們學做「雞蛋仔」，它們香氣四溢，我們吃得津津有味。我們還做了漢堡包當午餐，每位同學都綻放笑臉。

我們度過了一個既愉快又難忘的一天。

創作自述：

《森林探索》的創作緣於一次去郊野公園，我們蹲在草地上觀察小昆蟲，發現有一隻紅色小甲蟲正爬上樹葉上，忙碌地啃著翠嫩的樹葉，十分可愛。

## <我的日記——特別的公園遊玩日>

十一月二十九日 星期三 晴

今天放學後，媽媽和弟弟接我回家。

經過公園的時候，弟弟拉着我的手叫我去玩滑滑梯，我們沿着滑梯的方向衝過去，不小心撞倒了一位男孩子，大家跌倒在地上，男孩子小聲哭了，我連忙說對不起，扶起他來看看有沒有受傷。

我回家後發現我的手受傷了，感覺很痛。心想被我撞的男孩子一樣也很痛。我以後都不會亂街亂跑，在公園玩耍要遵守秩序。

1st October, 2023 Friday

Weather: Sunny

Today, I was going home by MTR after school with John. We chatted with each other. A man was reading a book and a woman was talking on the phone.

Later, the woman put her phone in her handbag and she yawned. The man stared at it. When the woman fell asleep, the man reached his hand to the woman's bag. We were shocked.

In the end, I shouted loudly. The woman woke up and was suddenly alert to her surroundings. The man was afraid and ran away.

## Helping People Brings Happiness

### 5A Chan Yuk Tsun Chloe

Peter likes to help others. He always assists his parents with the housework at home. At school, he also offers help to his classmates actively. In the community, he helps blind people crossing the street.

Last Sunday, Peter went to Sunny Mall for dinner alone. He saw a lost girl who wore a cute, pretty T-shirt and a red skirt crying at the entrance of a supermarket. The supermarket was famous for its handmade ice-cream. 'My little girl, what happened?' he asked with a soft voice. The little girl was shocked as her mother taught her not to talk to strangers. Peter calmed her down gently. The girl soon replied slowly, 'I feel helpless. I can't find my mom.....'.

'Can you describe your mother in detail?' Peter questioned. 'My mother? She is a beautiful middle-aged lady. She wears a light-blue long dress without a pattern and a huge shopping bag. She has long brown hair without glasses,' the girl said clearly. Peter praised the girl. He held her right little hand and tried to look for her mother. Unfortunately, they failed. The girl was upset and worried.

Suddenly, Peter had a good idea. They went to the information desk on the third floor. There was a pretty receptionist with a small hat. The receptionist made an announcement to the public politely. Peter comforted the lost crying girl and said her mother would come to take her home soon.

Finally, the girl's mother came to the information desk. 'My daring! I miss you very much! Where did you go...' her mother shouted out loudly. She appreciated Peter and gave him a hand-made ice-cream that bought in the supermarket. Although it was a melted ice-cream, it was the sweetest one in the world! 'Thank you very much!' The girl smiled and kissed Peter's cheek once.

## <校園小風波> 3A 郭尚宜

星期三的小息，我和同學相約到小魚池玩耍。

正當我和小美在猜拳的時候，突然傳來一陣慘叫聲。原來，小琪的手錶丟進魚池裏。當同學們都在呼天搶地的時候，身為小風紀的「我」立刻挺身而出，跑去找校工阿姨幫忙。

阿姨聽完我說之後，便拍了一拍桌子站起來，然後不慌不忙地跟我到小魚池看過究竟。

校工阿姨的出現，就有如《超級英雄大電影》裏的主角出場一樣，同學們都紛紛讓出一條小路。阿姨二話不說便從魚池裏「拯救」了那隻濕漉漉的手錶，同學們一邊歡呼，一邊報以熱烈的掌聲感謝阿姨。小琪向英雄阿姨連番道謝後，阿姨亦滿心歡喜地回到她的工作崗位了。

星期三的小息就在一片歡笑聲中結束了... ..

## My Good Neighbour

3BTsui Tsz Sum

There is a saying : A good neighbour is a priceless treasure.

I think I am lucky because I have Cindy Wong as my good neighbour. She is nine years old. She lives with her dad and mum. I live with my parents too but I have a little brother. She does not have any brothers or sisters.

She is a tall, young and beautiful girl. Sometimes, she comes to my home and I often go to her home too. We eat or play in the garden. We always go home together. I believe she is my best friend.

She is helpful because she always teaches me how to dance better. She is kind too. She helps me to open the door. My dad and mum both think she is a nice girl.

She likes singing in her free time because she wants to be a singer. She also likes listening to music because she thinks it can make her relax. Sometimes, she goes cycling and hiking in her free time too. I think she is a busy girl!

She likes apples because they are very sweet. Her favourite colour is red. It is the colour of apples. Her favourite animals are rabbits. They are very cute. I like apples and rabbits but I do not like red. I like orange. We often go to the farm to feed rabbits together.

I hope we can be good neighbours forever.

## 編輯的話

梁藝斐老師

清華國學研究院的「四大導師」之一王國維在《文學小言》中提到「文學者，遊戲的事業也。」指作者對自己之感情及所觀察之事物作摹寫及詠歎，再而轉化為已經過濾及沉澱的語言。而著名德意志哲學家康德在《判斷力批判》（上卷）指出藝術為自由之物，乃是「遊戲」。

編者很是喜歡創作為一「遊戲」的說法，這不禁提醒我們創作的初衷，便是返回創作者本身，返回文藝的本質。
